

## **Kitsap County: Living Along the Waterfront Workshop**

August 7, 2002

8:30 – 9:00     Registration

9:00 – 9:30     Introduction & Nearshore Processes Video

9:30 – 9:35     Break

### **Small Group Sessions:**

Sponsors gave people nametags with stickers with colors to break them into four smaller groups. This rotating presentation format is a good way to handle a large number of attendees.

9:35- 10:15:        First small group session  
                         Yellow Group - The Value of Vegetation (Canal Room)  
                         Green Group - Beach Dynamics (Marine Room)  
                         Blue Group - Low Down on Permits (East Bay)  
                         Red Group - Your Unique Beach (West Bay)

10:15 – 10:20       Break

10:20 – 11:00       Second Small Group Session  
                         Yellow Group – Beach Dynamics (Marine Room)  
                         Green Group –Low Down on Permits (East Bay)  
                         Blue Group – Your Unique Beach (West Bay)  
                         Red Group – The Value of Vegetation (Canal Room)

11:00 – 11:05       Break

11:05 – 11:45       Third Small Group Session  
                         Yellow Group – Low Down on Permits (East Bay)  
                         Green Group – Your Unique Beach (West Bay)  
                         Blue Group – The Value of Vegetation ( Canal)  
                         Red Group – Beach Dynamics (Marine Room)
